Why Choose Us?

The reason for our existence is to simply turn your wedding party into THE event of the year! Men and women, young and elderly people, cool or not so cool guests ...EVERYBODY will dance! And if they don't, they'll still have the time of their life!

That's our personal guarantee to you.

We particularly specialise in wedding parties of up to 500 people and after the 3,200th party, we feel confident enough to say that we've got more than enough experience to take all the stress away from you and leave you with all the fun! Our lively and personable DJs are **experts at playing just the right music** that will keep your wedding party elegant while making sure it's also fun-packed with awesome tracks to dance to.

When We Say We Cover EVERYTHING, We Mean EVERYTHING!

From your first step into the wedding reception and your first dance as newlyweds to the moment you leave the party, you will simply be impressed by our attention to detail and our willingness to go the extra mile to ensure everybody is having a blast! You can expect our stylish 'SoftGlo' **pure white** DJ booth and towers, not to mention our state-of-the-art lighting and sound system that will be the **centerpieces of the party**.

And if you are concerned about your style being too conservative or too contemporary, you can **stop worrying!** Our VIP parties are perfect for a wide variety of weddings, whether black-tie reception soirées, EDM nightclub style, marquee party or even a 1960s themed reception! No matter what, there's bound to be plenty of dancing, laughter and ear-to-ear smiles, celebrating your wedding!
